Read through our Join EP100 page to get to know the initiative and our joining requirements.

2. Get in touch

Get in touch with the EP100 team at EP100@theclimategroup.org to register your interest in becoming an EP100 member.

3. Check eligibility

Complete the Interest & Eligibility form to check your eligibility to become a member.

4. Call with the EP100 team

Set up a call with our team. We'll take you through the EP100 initiative and talk through any questions you may have.

5. Apply for EP100 membership

Apply for EP100 membership by completing our Joining Form.

6. Application review

The application will be reviewed against EP100 Joining Criteria and the team will carry out a due diligence process.

7. Application decision

You will receive the application decision from the team. If accepted, the Membership Agreement needs to be signed, after which the company will be a member and receive its member benefits.

8. New member announcement

The date & time of your company publicly joining EP100 will be agreed. You can announce your EP100 membership through a press release and/or social media. Climate group will provide supporting materials and will list the company on the EP100 website.
